

## IPRC Endorsed Training

Title	Training provider	Training format	Level of training	Key Competency Area(s) addressed	Points awarded	Year awarded
1) Research Ethics and Integrity	Southern African Research and Innovation Management Association, University of Namibia, Stellenbosch University, University of KwaZulu-Natal, University of the Witwatersrand	Virtual workshop	Advanced	Research ethics and integrity	3	2021
2) Research Ethics and Integrity #	University of the Witwatersrand	Accredited online course	Intermediate	Research ethics and integrity	24	2021
3) Fundamentals of Research Management #	University of the Witwatersrand	Accredited online course	Intermediate	Organisation and delivery of a research management service Research planning, strategy and policy development Researcher development Research funding Research ethics and integrity Managing funded research Research data and research information management Research uptake, utilisation and impact	20	2021
4) Research Grants and Contracts Management #	University of the Witwatersrand	Accredited online course	Intermediate	Research funding Managing funded research	24	2021
5) Introduction to Intellectual Property, Technology Transfer and Commercialisation #	University of the Witwatersrand	Accredited online course	Intermediate	Research uptake, utilisation and impact	12	2021
6) Research Programme Evaluation #	University of the Witwatersrand	Accredited online course	Intermediate	Research data and research information management Research uptake, utilisation and impact	24	2021
7) Gender in Science, Technology, and Innovation #	University of the Witwatersrand	Accredited online course	Basic-Intermediate	Research planning, strategy and policy development Researcher development	20	2021
8) Research Management and Administration	Stellenbosch University	Postgraduate Diploma	Basic - Intermediate	Organisation and delivery of a research management service Research planning, strategy and policy development Research funding Research ethics and integrity Managing funded research Research data and research information management Research uptake, utilisation and impact	60	2021
Researcher Development (PCF	Southern African Research and Innovation Management Association, Africa University,		Basic	Researcher development Partnerships and collaboration		

9)	approach) – bridging the digital/career divide	Kamuzu University of Health Sciences, Stellenbosch University, Namibia University of Science and Technology	Webinar	Basic - Intermediate	Research data and research information management	1	2022
10)	Internationalisation & Research Management in a post-COVID World	Southern African Research and Innovation Management Association, University of Pretoria, International Education Association of South Africa	Virtual workshop	Intermediate	Partnerships and collaboration	3	2022
11)	Ethics and Science	Southern African Research and Innovation Management Association, University of the Witwatersrand, University of KwaZulu-Natal, University of Namibia, University of South Africa	Virtual workshop	Intermediate - Advanced	Research ethics and integrity Research data and research information management	4	2022
12)	Communicating your research through writing	Journal of Research Management and Administration	In-person workshop	Basic - Intermediate	Research uptake, utilisation and impact	3.5	2022
13)	Innovating Equitable Partnerships in Global Research and Innovation	Michigan State University, University of Pretoria, Human Sciences Research Council	In-person workshop	Intermediate	Partnerships and collaboration	4.5	2022
14)	Research Management	West African Research and Innovation Management Association	In-person workshop	Basic - Intermediate	Organisation and delivery of a research management service Researcher development Partnerships and collaboration Research funding Research ethics and integrity Managing funded research Research data and research information management Research uptake, utilisation and impact	20	2022
15)	Contract Research Valuation and Impact	Southern African Research and Innovation Management Association, University of the	Webinar	Basic - Intermediate	Managing funded research	1	2022
16)	Research impact and how to report on research impact: the shift from helicopter style Global North type of research and the realities of the Global South	Southern African Research and Innovation Management Association, North-West University	Webinar	Intermediate	Research uptake, utilisation and impact Research ethics and integrity Partnerships and collaboration	1	2023
17)	Research contracts and collaborations	Southern African Research and Innovation Management Association, University of the Witwatersrand, University of KwaZulu-Natal, Spoor & Fisher, Kamuzu University of Health Sciences	Virtual workshop	Basic	Partnerships and collaboration Research ethics and integrity Managing funded research	10	2023
18)	Understanding your role as a RMA and maximising your impact	Southern African Research and Innovation Management Association, Stellenbosch University, University of the Witwatersrand	Webinar	Basic	Organisation and delivery of a research management service	1	2023
19)	Attracting and Managing External Funding for Research and Innovation	Southern African Research and Innovation Management Association, University of the Western Cape	Virtual workshop	Intermediate	Partnerships and collaboration Research funding Managing funded research	6	2023

20)	Research ethics and integrity: Practical tips and advice	Southern African Research and Innovation Management Association, University of Cape Town	Webinar	Intermediate	Research ethics and integrity	1	2023
21)	Explore the Frontiers of Safeguarding Research Participants with the Application of Research Ethics Principles from the Latest CIOMS Guidelines	Academy of Science of South Africa, University of the Witwatersrand, National Health Research Ethics Council, Southern African Research and Innovation Management Association, University of South Africa, Council of International Organisations of Medical Sciences and other co-partners i.e. SAHPRA, SAMRC, ARIN, REASA, Wits Steve Biko Bioethics Centre, SACRA, ACAP	In-person workshop	Advanced	Research planning, strategy and policy development Partnerships and collaboration Research ethics and integrity Managing funded research Research data and research information management Research uptake, utilisation and impact	6	2024
22)	Strengthening research fund sourcing and management	Southern African Research and Innovation Management Association, Research Council of Zimbabwe	In-person workshop	Intermediate	Research funding Managing funded research Partnerships and collaboration	8	2024
23)	Supporting Researchers: From Research to Commercialisation	Southern African Research and Innovation Management Association, Nelson Mandela University, Agricultural Research Council, South Africa	Virtual workshop	Basic	Organisation and delivery of a research management service Research planning, strategy and policy development Partnerships and collaboration Research funding Managing funded research Research uptake, utilisation and impact	6	2024
24)	Navigating Open Science and Industry Collaboration	Southern African Research and Innovation Management Association, Department of Science and Innovation, South Africa	Virtual workshop	Basic	Research planning, strategy and policy development Researcher development Partnerships and collaboration Research ethics and integrity	6.5	2024
25)	Managing Funded Research	Southern African Research and Innovation Management Association, Science Granting Councils Initiative, West African Research and Innovation Management Association	Virtual workshop	Intermediate	Partnerships and collaboration Research funding Research ethics and integrity Managing funded research Research uptake, utilisation and impact	6	2024
26)	Research Management	West African Research and Innovation Management Association	In-person workshop	Basic	Organisation and delivery of a research management service Research planning, strategy and policy development Partnerships and collaboration Research funding Research ethics and integrity Managing funded research Research uptake, utilisation and impact	20	2024

# Upon successful completion of all six accredited online short courses, the IPRC will issue a Certificate of Proficiency.

<b><i>Training activities requiring review and endorsement by the TEC</i></b>	
Workshops/ courses	
Masterclasses	1 training point per hour of training (excluding breaks) up to a maximum of 20 points per training event.
Seminars	
Webinar	
Symposia	

<b><i>Training activities requiring review and endorsement by the TEC</i></b>	
Research management degrees, diplomas, certificate programmes that are aligned with the PCF and offered by an accredited training institution/provider (recognised for meeting specific educational standards, which have been set by an accrediting agency).	60 training points when providing evidence of successful completion of the training activity.
Courses in research management that are aligned with the PCF and offered by an accredited training institution/provider.	1 point per hour up to a maximum of 25 hours. The number of hours required within a specific period (e.g., per week) and the total duration of the course is generally available in the course information and should be provided as part of the
